

The stated aim of international diplomacy toward the Israeli-Palestinian conflict has been to achieve two states, the state of Israel next to a sovereign state of Palestine established within the territories that Israel occupied in the 1967 war. Which of the following is closer to your view about the likelihood of this outcome?

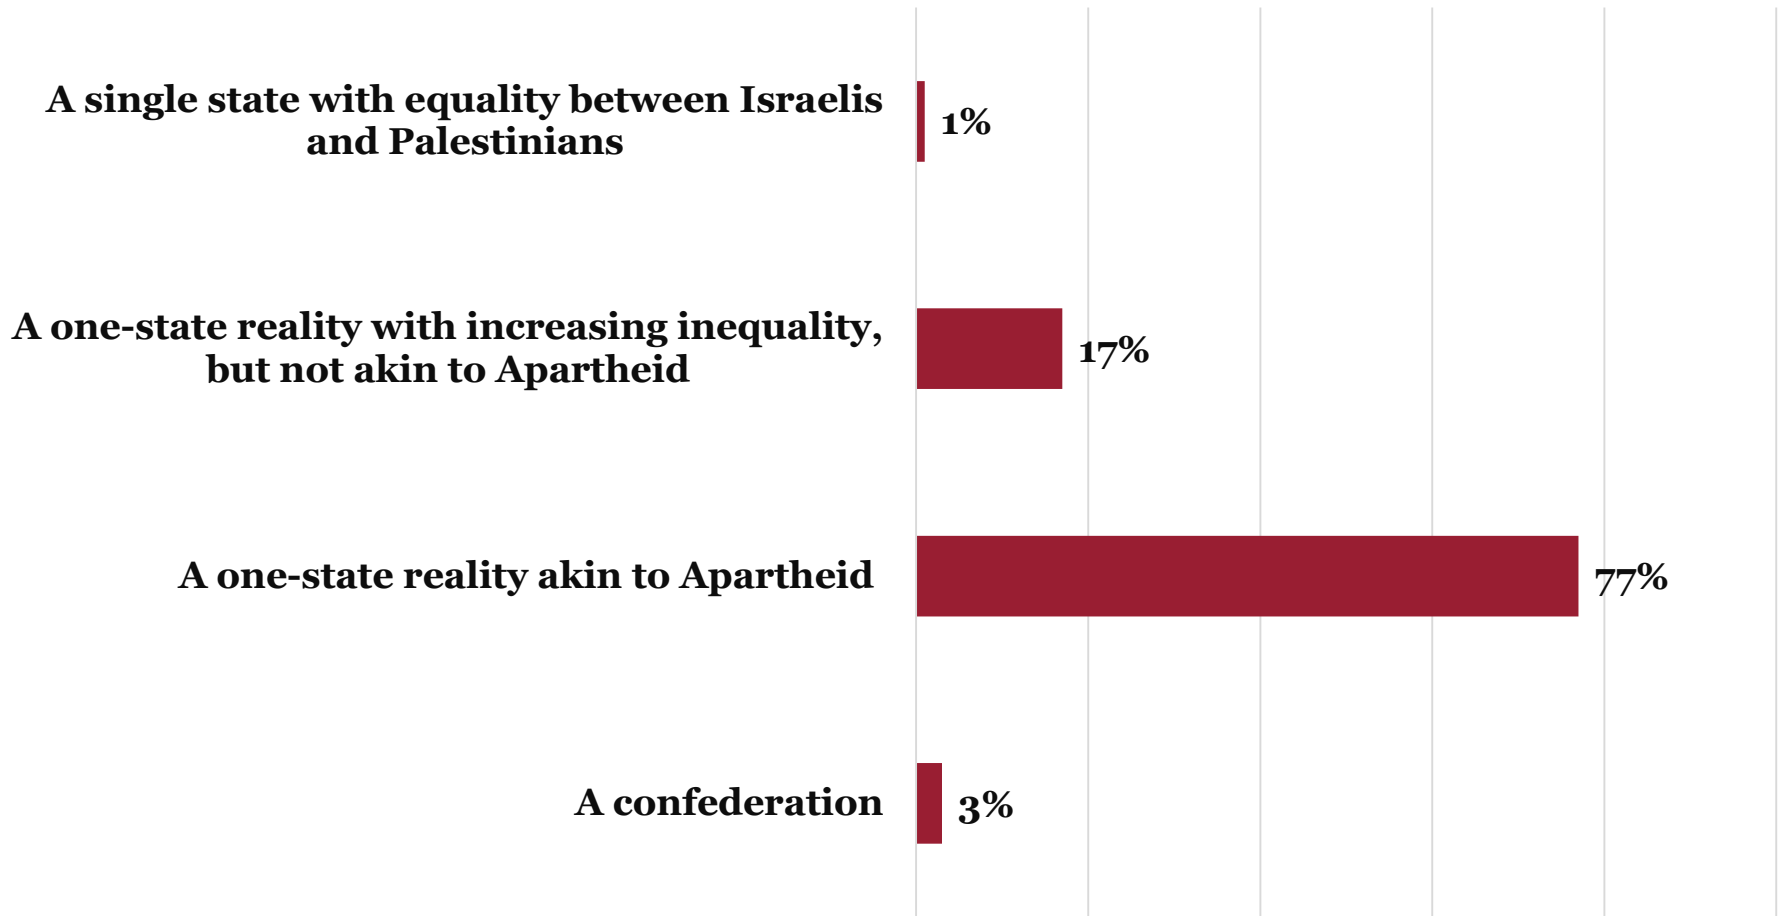

These results are among 521 respondents, conducted February 8-15, 2021 online using the University of Maryland's Qualtrics platform.
